## **LIVESTOCK RULES AND CONDITIONS**

1. Cattle Entries close on 26<sup>th</sup> July Sheep & Pig close on 9th August 2025. Entries will not be accepted unless remitted with full entry fees. The organisers reserve the right to refuse any entry without assigning a reason.
2. All classes are open except where otherwise stated.
3. All exhibits must be the bona fide property of the exhibitor. The ages of all animals must be reckoned to 16th August 2025 unless otherwise stated. The date of birth of all livestock must be stated on the entry form.
4. If any statement in any entry may be found to be incorrect, such entry will be cancelled.
5. All livestock brought to the Show must be in perfect health and should not have been in contact with any animal suffering from an infection or disease.
6. The Show will be run in accordance with DEFRA rules and regulations. In particular, pregnant female animals will not be considered fit for transport if they have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth. If you have any queries, please contact your local Animal Health Office
7. Movement Licences, Passports, MV Certificates and other documentation, which DEFRA or other regulatory body may require must be available on arrival of the animals at the Show. The Agricultural Holding Number for the Bedwellty show is 60/022/8002.
8. Exhibitors are to be on site by 8.00 am on Show Day and are asked to bring sufficient stockpersons for the number of animals they are bringing to the Show.
9. All exhibits must remain in their places on the showground until 4.00 pm on Show Day. Exhibitors must provide halters or chains for securing the same. The showground will be open to receive stock from 6.30 am on Show Day.
10. Exhibitors are to bring their own frame and tarpaulin/cover.
11. Straw will not be available on site. Please bring your own should you wish to.
12. All stock will be considered and treated as being in the sole Charge and custody of the exhibitor during the whole of the Show and every exhibitor or his assistant must oversee the same. The organisers will not be responsible for, or in respect of, any loss, damage or injury, arising from accident or any other cause to any persons, stock, vehicles or equipment.
13. The organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers, officials and stewards.
14. Exhibitors showing cattle should familiarise themselves with the guidance set out in HSE Agriculture Information Sheet No 35, available from [www.hse.gov.uk](http://www.hse.gov.uk)
15. All competitors take part at their own risk. The landowners, organisers, sponsors or officials will not hold themselves responsible for any loss, damage, accident or injury to owners, handlers, spectators, livestock or any property or vehicle, however caused.
16. Times of classes may vary on the day. Please keep an eye on your ring and check with your ring steward, not the Secretary, as entry fees will not be refunded.
17. Classes will be judged under the relevant Breed Society's rules and regulations. The judges' decision is final.
18. The organisers reserve the right to vary the order or composition of the schedule according to circumstances and to substitute other judges from those named or to make additional appointments as required. The organisers reserve the right to amalgamate or sub-divide any class should numbers entered justify it.
19. The decision of the organisers on any point not covered by the rules is final.
20. All trophies, unless stated, are perpetual and are to be held for the period between Shows. Trophies are to be collected on Show Day from the Secretary's Tent and must be returned clean, in good condition and in time for presentation at the 2026 Bedwellty Show.
21. NB: 6-Day Standstill Rule - individually identified cattle and sheep are exempt from the 6-day standstill rule provided that they are isolated for 6 days (in a DEFRA-approved isolation unit) from all non-show animals on their resident holding before they attend their first Show. They can then move from show to show without triggering a standstill, return home between shows, and move to a further show Within 6 days provided they are kept isolated. When they return to their resident holding for the last time they will trigger a 6-day standstill on the premises unless they are isolated for 6 days. Alternatively, exhibitors may wish to isolate their whole herd, provided there are no movements on the farm within 6 days of the first show or last show. A 20-day standstill rule applies to pigs. If you have any queries on the above, please contact your local Animal Health Office.
23. Bedwellty Show is exempt from a pre-movement TB Test.

## **CATTLE**

1. All cattle must be trained to be halter-led and to have proper halters on at all times. Exhibitors must ensure that bulls are under proper control at all times.
2. Cattle for group classes can be selected on the showground but exhibitors must make the entry on the entry form and pay the entry fee.
3. Date of birth of all livestock in the cattle classes must be stated on the entry form.
4. Classes may be amalgamated if there are insufficient entries in any section of the schedule.
5. All cattle capable of being paraded will be required to do so, as directed by the stewards, in the parade.
6. Stewards reserve the right to withdraw any animal not deemed safe to parade.
